PROFESSIONAL SUMMARY

iOS Developer with 3 years of professional experience in native iOS application development using Swift and UIKit. Experienced in healthcare, employee, and enterprise applications, with hands-on experience in REST API integration, JSON, Firebase, Git, MVC/MVVM, and Figma-based UI implementation. Currently working with Flutter and Dart, with 6 months of experience.

SKILLS

iOS Development: Swift, UIKit, CocoaPods

API & Backend: REST API Integration, JSON, Firebase

Architecture: MVC, MVVM

Cross-Platform: Flutter, Dart (Working Knowledge)

Tools: Xcode, Android Studio, Postman, Git

UI / Design: Figma, UI Design

Web Technologies: HTML, CSS, JavaScript, Bootstrap, Angular (Basic)

WORK EXPERIENCE

Medicover Hospitals (unit in Sahrudaya Healthcare Private Limited) — iOS Application Developer | Dec 2023 – Present

Worked on healthcare and employee mobile applications using Swift, UIKit, REST APIs, JSON, Firebase, and Figma-based UI implementation.

PROJECT

PROJECT: SAHRUDAYA EMP

App Store: https://apps.apple.com/us/app/sahrudaya-emp/id1538916769

An end-to-end employee application for managing personal information, annual leave summaries, daily attendance, leaves, team management, KRA tracking, professional growth, HRMS, doctor-related workflows, appointment management, circulars and news, procurement authorization, management reports, and hospital administration.

Key contributions:

- Developed and maintained native iOS modules using Swift and UIKit.
- Integrated REST APIs and handled JSON-based application data.
- Implemented iOS screens based on requirements and UI specifications.
- Translated approved Figma designs into functional iOS interfaces.
- Worked across employee, reporting, hospital administration, security, doctor, and operational workflows.
- Modules: Appointment Slot Summary, OP Nursing, Appointment List, User Dashboard, Daily Doctor Meetings, Doctor Activity, Revenue including on bed, Console Expiry Stock Summary, Attendance Average Details, Employee Attendance Average, On Bed Occupancy Report, Planned Admissions Report, Vendor Wise Purchase, Consumption Summary Report, Datewise Occupancy Report, Date Wise Admissions, Insurance, Task Manager, User Access Control, ER Module, OT Schedule List, Operations Demo, Testing Doctor, Linen Dashboard, Wellness, International Operations, Clinical News, My Article, PACS, Journal, Dynamic Form, Doctor, Operations, HRMS, Security Dashboard,

MIS, Patient Referral, E-MIS, I Assist, Procurement, E Assist, and Doc Assist.

PROJECT: MEDICOVER HOSPITALS

App Store: https://apps.apple.com/in/app/medicover-hospitals/id1517761354

An E-Health platform focused on online appointment booking and doctor consultations, with features for doctor discovery, appointment scheduling, digital health records, prescriptions, investigation reports, and personalized healthcare access.

Key contributions:

- Developed and enhanced patient-facing iOS screens using Swift and UIKit.
- Integrated REST APIs and handled JSON-based data.
- Implemented healthcare workflows for appointments, records, prescriptions, billing, and family management.
- Screens: My Reports, My Appointments, Family Members, Dashboard, My Prescriptions, Favourite List, My Bills, Upload New Prescription, Doctors List, Slot Booking, and Patient Details.

PROJECT: TGSRTC EMPLOYEE

App Store: https://apps.apple.com/in/app/tgsrtc-employee/id6446243313

An employee-focused HRMS application for streamlining human resource processes including payroll, time and attendance tracking, leave management, performance evaluations, and employee-related services.

Key contributions:

- Developed and enhanced employee-facing iOS screens using Swift and UIKit.
- Worked on REST API integration, JSON data handling, navigation, and UI implementation.
- Implemented employee service and organizational information screens.
- Screens / modules: Apply Leave, Payslip, My Grievance, Gallery, News and Circulars, Performance Particulars, In Extra Mile, MD's Desk, and Depot Heroes.

EDUCATION

Bachelor of Pharmacy (B.Pharmacy)

Narasaraopet Institute of Pharmaceutical Sciences, Narasaraopet | 2017 – 2021
